Dear New Altar Server;

May peace be with you.

Well now summer vacation is coming to an end. School starts for most in August. We pray that you have had a delightful fun filled vacation and now you are ready to get at the books.

We have added two new servers and they are now doing their walk on and most of the others have actually begun services as candle bearers. Please pray for all the new servers.

Somehow it escaped our attention, but Tony Visintainer graduated from high school and will be off to college in the fall. Congratulation and thank you for a job well done.

Collin O'Quinn has ask that he be relieved from duty due to a conflicting schedule this fall that will not allow him to attend the training sessions. We will miss his excellent service, but we are especially proud that he recognized the conflict and came forward with his request.

**IMPORTANT** Included with this schedule is the very important yearly schedule for Altar Servers. Please see that your parents get this copy so that they can mark the family calendar. It is mandatory that you attend training sessions regardless of your rank.

All praise and glory to God

William Harper and the Altar Server Team
